 The Otopeni airfield, located 16 kilometers east of Bucharest on the Bucharest-Ploesti highway, is wholly occupied by a Soviet unit equipped with MIGs. Informant estimated that there are at least 100 jets at the field. 									
	2. The Pipera airfield, located just to the north of the suburb of Herastrau is occupied half by Rumanians and half by Soviets. The type of aircraft located at this field is not known but no jets have been observed landing and taking off except at Otopeni.								
, 3. 8	boviet troops maintain guard on the west side of the Pipera airfield								

times buses were observed transporting Soviet air force officers to Pipera. These officers are quartered in houses located in the Jianu

Park.
